START HERE

Open the App

1. Open this link in Safari: prettyteam.github.io/family-home-base
2. Type the passcode Alexandra gave you and tap **Open**. The app remembers you, so you only do this once.
3. Tap the **Share** button at the bottom of Safari (the square with the arrow).
4. Tap **Add to Home Screen**, then **Add**. Now Home Base has its own icon on your phone.

GOOD TO KNOW

Forgot the passcode? Text Alexandra. Please never share it.

THE BASICS

Getting Around

- **Home** shows hello, the date and the **Menu** squares. Tap a square to open that page.
- The **tabs across the top** (Home, Today, Au Pair Hours and more) work from every page. Swipe them left to see them all.
- The bar at the bottom shows when the app last updated. Tap **Refresh** to get the newest info.

- The **Português** square (or **Translate** at the top) turns the whole app into Portuguese. Tap **English** to switch back.

YOUR DAY IN ONE PLACE

Today

Open **Today** first every morning. Top to bottom you see:

- **The clock card**: your shift today and the **Clock In** button.
- **Today's activities**: practices, games, appointments and who drives.
- **Schoolwork due in the next 3 days** for both boys.
- **Your daily checklist**: breakfast, laundry, snacks, dinner and the rest of your daily duties. Check each one off as you go.
- **Daily home tasks**: the boys' own list, and whose trash week it is.
- **Open to-dos** for you and for either of you.

GOOD TO KNOW

The checklists start fresh every morning. School-morning items only show on school days.

YOUR HOURS

Clock In and Out

1. When you start, tap **Clock In** on Today or Au Pair Hours.
2. When you finish, tap **Clock Out**.
3. Some days have two shifts (morning, then afternoon). Clock in and out for each one.

Forgot to clock in or out? Open **Au Pair Hours**, find the day and tap **Fix Time**. Put the right times in and add a short note for Alexandra (for example: Forgot to clock out, left at 6).

YOUR WEEK

Au Pair Hours

- Use the ‹ › arrows to go to last week or next week.
- **Scheduled** is the hours planned for the week. **Worked** is the hours you clocked.
- The table lists every shift: the planned time, your clock in and out, and the hours.
- If Alexandra turned it on, you also see this week's pay.

↑ CONTENTS

YOUR WEEKLY PLAN

Schedule

Your weekly schedule and daily routine. Tap **English** or **Português** at the top to pick the language. Tap **Print** if you want a paper copy.

HOMEWORK AND GRADES

School

- Tap **All Kids**, **Julian** or **Grayson** to pick whose work you see.
- Assignments come in from Google Classroom and the parent portal every day at 2:15 PM.
- When a boy finishes something, check it off. They should turn it in on Google Classroom first.
- Tap **Add Assignment** to add one by hand (like a test a teacher only said out loud).
- Grades: green is 90 and up, amber is 70 to 79, red is under 70.

↑ CONTENTS

THE WEEK AHEAD

Activities

- Tap **This Week** or **Next Week**.

- Each day lists the boys' activities, team games, anything on the Skylight and one-time events.
- Each activity shows the time, the place and who drives.
- Under the week you see **Appointments and One-Time Events** for the next 30 days.

GOOD TO KNOW

Activities and your shifts go on the Skylight calendar by themselves.

THE SHARED LIST

To-dos

1. Type the to-do in **Add to the List**.
2. Under **For**, pick who it's for: you, Alexandra or Either. Pick **(extra task)** for extra jobs that are not about the boys, so Alexandra can see them.
3. Tap **Add**.
4. Check it off when it's done. Checked items drop off after 2 days.

GOOD TO KNOW

Running low on snacks, vitamins or toiletries? Add it here for Alexandra.

GOOD TO HAVE HANDY

Family Facts

Bedtimes, rules, allergies, pickup contacts, logins and anything else you should always have. Tap **Translate** to read it in Portuguese. Logins and codes always stay in English so they don't get changed.
