Home Base Guide

For Julian

Your own Home Base: your schoolwork, your home tasks and your calendar in one spot.

START HERE

Open Your App

1. Open this link in Safari: prettyteam.github.io/family-home-base
2. Type **your own** passcode from Mom and tap **Open**. It remembers you after that.
3. Tap the **Share** button (the square with the arrow), then **Add to Home Screen**, then **Add**.
4. Now open Home Base from the new icon, like any other app.

GOOD TO KNOW

Your passcode is just for you. Don't share it, not even with your brother.

YOUR FIRST PAGE

Your Home Page

Hello, the date and a quote for the day. Under **Menu** you have four squares:

- **My Assignments**: how many things you have to do, and if anything is missing.
- **Home Tasks**: how many of today's tasks are done.
- **My Calendar**: what's next today.

- **Google Classroom**: opens Classroom so you can turn in work.

Tap **Refresh** at the bottom any time to get the newest info.

SCHOOLWORK

My Assignments

- Everything you still have to do, with the due date. Red means it's overdue.
- New work comes in from Google Classroom and the parent portal every day at 2:15 PM.
- Turn it in on **Google Classroom first**, then check it off here.
- Finished work moves down to **Finished**.

GOOD TO KNOW

Check this every day after school, before screens.

EVERY DAY

Home Tasks

Your list for today. Check each one off when it's done. The list starts fresh every morning.

- No clothes on the floor.
- Hang up and put away your clean clothes.

- Bring down any empty drinks from your room.

Trash week switches between you and your brother every week. On your week: trash out Tuesday night and the cans in Wednesday after school. The page tells you when it's your week.

THE NEXT 2 WEEKS

My Calendar

Every day for the next 2 weeks: practices, games, appointments and days off, with the time and the place.
